EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Young on October 26, 2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 26, line 1, "container" is deleted, and - strap - is inserted in its place.

Claim 29, line 1, "container" is deleted, and - strap - is inserted in its place.

2. This amendment clarifies what step is referred to in the claims.
3. The amendment of September 14, 2005 and the Examiner's Amendment above overcome all the pending rejections of the claims, as the cited references do not provide all the features of the independent claims as now worded, as discussed in applicant's REMARKS of September 14, 2005.

4. The Examiner notes the filing of the petition to request to correct inventorship filed September 14, 2005. This petition has been forwarded to the Office of Petitions for consideration.
